

Trustshare Terms of Service - Third Party Platforms

We're delighted that you've chosen to work with us. This webpage gives a summary of how our Service works, how our fees work and when they are due.

In summary, our service allows Trustshare to collect funds on behalf of Sellers from Buyers. We may release funds immediately to the Seller or hold funds until particular Terms or terms on any Third Party Platform have been met. You, as the Third Party Platform, are able to integrate with our Service to allow Buyers to make payments on your website or product. We are able to split payments to collect your Fees (“**Tariffs**”) and any Fees that you instruct us to charge Sellers.

For reference, our Terms of Service for Buyers and Sellers can be found here:

<https://dashboard.trustshare.co/user-terms.pdf>

For your UK and non-EEA transactions, We are Trustshare Limited, a company registered in England & Wales with company number 12650826, whose registered office is at 71-75 Shelton Street, London, Greater London, United Kingdom, WC2H 9JQ. We are a registered eMoney provider as an EMD agent of Payrnet LTD - our [FCA register number is 902866](#).

For your EEA transactions, We are Trustshare UAB, a company registered in Lithuania with the registration code 305668309, whose registered office is at Zalgirio g. 90-100, LT-09303 Vilnius, Lithuania. We are registered with the Bank of Lithuania as EMD agent with [authorisation code LB001994](#).

You set the size of the Service Fees to charge business or consumers using the trustshare platform. Under the terms and conditions below, we will pay you commission on the difference between the Service Fees that you set and Trustshare’s Minimum Fees. You will only be granted commission on Relevant Payments. If you set the Service Fees lower than Trustshare’s Minimum Fees, Trustshare will invoice you the difference. You may also instruct us to collect any Third Party Platform Fees (“**Tariffs**”) due to you from Buyer or Seller that you invoice Buyer and Seller directly for. Trustshare’s Minimum Fees are the following:

Size of transaction tier ¹	Percentage fee	Minimum fee ²	Maximum fee ²
Under \$/£/€/\$1,000	1.5%	£/€/€/\$ 5	£/€/€/\$ 100
£/€/€/\$1,000 - £/€/€/\$2,999	1.25%	£/€/€/\$ 5	£/€/€/\$ 100
£/€/€/\$3,000 - £/€/€/\$4,999	1.00%	£/€/€/\$ 5	£/€/€/\$ 100
£/€/€/\$5,000 - £/€/€/\$99,999	0.75%	£/€/€/\$ 5	£/€/€/\$ 100
£/€/€/\$100,000 and over	0.1%	£/€/€/\$ 5	Not applicable

¹ This is defined by the expected size of Transaction displayed on the first checkout screen rather than the actual size of the initial deposit if any.

² There is a minimum fee and a maximum fee per Transaction. Once the size of Transaction tier is determined, fees will be charged from deposits and releases at the percentage fee rate unless:

- Less fees are taken than the minimum fee, in which case, the minimum fee will apply.
- More fees are taken than the maximum fee, in which case, the maximum fee will apply.

If a Buyer deposits less than the minimum fee, you will not be charged for the balance.

For the avoidance of doubt, you can notify us whether you'd like to charge a Tariff at any time. If we do not have a notification from you, we will assume that you would like:

- For any 5 line of code SDK integration, URL, QR code or Payment Link usage, we will invoice users and only charge a Service Fee. Thereby paying you Commission.
- For any API integration, we will invoice you and charge a Tariff to users which you will invoice directly.

2 Duties

2.1 You shall integrate our API or place or send links to Our Website in the manner agreed between us from time to time. You will allow us to review your manner of placing and sending such links on reasonable request.

- 2.2 You shall not purport to bind us in any way or hold yourself out as having authority to do so. You must not provide financial product advice to anyone on our behalf.
- 2.3 You will allow us to review your marketing materials on reasonable request.
- 2.4 You shall not, without our prior written consent, make or give any representations, warranties or other promises concerning products sold by or through us which are not contained in our marketing material.
- 2.5 You agree to advise us within six months of the commencement of any promotion, marketing or distribution of a Competing Product. You are liable for these payments in the event of a misdirected payment or reversal, such as a bank indemnity claim, chargeback or making a court claim for the funds. You acknowledge that Trustshare take no responsibility or liability for this and you indemnify Trustshare in the event that a Buyer or Seller takes action against Trustshare.

3 Split Payments, invoicing and Commission

- 3.1 We split payment at the point of deposit or release to either:
- a) Collect Trustshare's Fees, which you may instruct the size of which.
 - b) Collect Third Party Platform Tariffs on your behalf, which you will invoice your Buyers and Sellers for directly.
 - c) A combination of both of above.
- 3.2 If you instruct Trustshare's Fees to be larger than Trustshare's Minimum Fees, you shall be entitled to commission (**Commission**):

- a) Each time a payment is made on the Service by a Buyer using our product in your branding (a **Relevant Payment**) or using the API integrated on your Website.
 - b) Each time a payment is released to a Seller using our product in your branding.
- 3.3 If you instruct Trustshare's Fees to be smaller than Trustshare's Minimum Fees (or not charge Trustshare Fees directly at all), you will be invoiced the difference. This gives you the flexibility to either invoice your Buyers and Sellers directly but have us collect funds for you (a Tariff), or have Trustshare invoice the Buyers and Sellers sending your commission or have Trustshare charge additional fees over and above your Third Party Platform Tariffs.
- 3.4 You may change Trustshare' Fee and/or your Third Party Platform Tariff at any time without notice, this will only affect new Relevant Payments. We may change Trustshare's Minimum Fees with 3 months notice.
- 3.5 Trustshare's Fee are inclusive of any value added tax (**VAT**). Trustshare as the service provider is responsible for this VAT. All Commission paid to you for this Service Fee is inclusive of any VAT. We claim back this VAT as part of our commercial model, we therefore reserve the right to lower your Commission if for whatever reason, we cannot claim back this VAT.
- 3.6 We shall use self-billing to issue your invoices to us where required. You consent to this arrangement and will not issue invoices to us for goods or services covered by this agreement because we will already be issuing them. We reserve the right to outsource this self billing process to a third party but we intend to use our own software to handle this process. You agree to let us know at the earliest possible opportunity:
- a) If you stop being registered for VAT;
 - b) You get a new VAT registration number;
 - c) Or you transfer your business as a going concern.
- 3.7 Tariffs that we collect on your behalf are paid to you exclusive of any VAT as we are simply collecting funds on your behalf.
- 3.8 For the avoidance of doubt, you can notify us whether you'd like to charge a Tariff at any time. If we do not have a notification from you, we will assume that you would like:
- a) For any 5 line of code SDK integration, URL, QR code or Payment Link usage, we will invoice users and only charge a Service Fee. Thereby paying you Commission.
 - b) For any API integration, we will invoice you and charge a Tariff to users which you will invoice directly.
- 3.9 We will payout commission into your Authorised Bank Account when you press withdraw on your trustshare account. This shall be completed as the total aggregate sum of funds due subtracting:
- a) The fees and charges due by Trustshare.
 - b) Any past or current Transaction subject to chargeback, refund or any other form of reversal that is not recouped from a Seller.
 - c) Any other past or current Transaction fees charged.

- 3.10 If payout is not large enough to cover for these fees and charges, Trustshare reserves the right to invoice you directly. Any late payments are subject to a 1.5% per month interest rate and you are liable and will reimburse any additional legal or administrative costs that Trustshare pay.
- 3.11 Payout is payable in sterling if you are based in the UK. If you are based in the EEA, commission is payable in the euros. If your commission requires currency conversion, we will convert the amount at the mid-market rate provided by Payrnet at the time the payment is executed to your Authorised Bank Account plus a foreign exchange fee of 1%.
- 3.12 We may set off any amounts owed by you in connection with this Agreement against any Commission due to you.
- 3.13 For the avoidance of doubt, we shall have no liability to settle Commission to you in respect of any Payments, Refunds or Withdrawals that have been disputed, reversed, delayed, rejected, frozen or treated as suspicious for anti-money laundering reasons.
- 3.14 We may delay Total Settlement (in full or in part) or otherwise retain any amounts due in any of the following circumstances:
- a) We have reasons to suspect that the relevant Payment, Refund or Withdrawal is fraudulent or involves other criminal activity;
 - b) We reasonably suspect that a particular Payment is not in the ordinary course of the relevant Seller's business or spending pattern;
 - c) The number and/or size of the Payment(s) is significantly greater than expected - for example withdrawals being completed an excessive number of times per day.
 - d) The Seller has not yet supplied the goods or services in respect of which the Payment has been carried out and the equivalent of an Insolvency Event occurs in relation to the Seller (or we reasonably believe that this is likely to occur); or
 - e) We have not been able to complete sufficient Due Diligence Checks on the relevant Sellers and as a result have not been able to carry out an appropriate risk assessment

We shall be entitled to exercise our rights until we are satisfied that the circumstances referred to no longer apply. No interest shall accrue in respect of any payout that is so withheld.
